Four good Mules for sale cheap. Jackson & McKinney. Anderson Intelligencer. Husband and Wife Reunited After

Thirty-five Years. A special dispatch to the Dallas News from Denison, Tex., tells a remarkably romantic story of the reunion of a St. Louis couple at San Antonio in the Lone Star State Christmas Day, after a separation of 35 years, during day of the happ; reunion for this city over the "Katy Flyer" and are now supposed to be sojourning somewhere in the Future Great, although diligent | neighbor.

failed to locate them. Nowhere between the covers of a book of fiction can there be found a of a mile away. story so touchingly romantic as the embodies in all of its details the ter look. essentials of a perfect novel such as few if any of the modern writers of fiction have equaled either in its con-

ception or its working out. Mr. Slaiden is now 55, a tall, handome man of magnificent physique, with a swarthy complexion that is thrown into striking contrast with his snow white hair. He has the mien of a prosperous business man, but suffering and suspense have written their sign manual about the mouth and softened the steel gray eyes that would otherwise have been penetrating

n their glance. The woman whom capricious fortune has restored to his protecting arms is not less strikingly hardsome than the husband whose name they bear in common. Sorrow has brought the marks of premature old age in the predominance of the silver threads that intermingle with the gold, but evil. the fair cheek has not been robbed of its natural beauty and her beautiful blue eyes are bright as they were when she as a bride bade a loving farewell to him who was nearest and dearest in all the world to her 35 long

When the Confederates fired the first gun of the Civil War at Fort utes of this the cooper called the Sumter in 1861, J. B. Slaiden, who was an ardent Southern sympathizer, kissed his young wife good-by and cast his fortunes with the southern army, leaving his bride of a few months at the home of her parents in a small

town out in the State. From the day they separated until she fell fainting into his arms last Friday they never met. One of his boyhood companions who returned from the front reported that he had got his breath he defiantly exclaimed: been killed in battle, and just before the close of the war he received news from a comrade that his wife was dead. The last letter he received from his wife told of the death of his parents, and the announcement that she too had gone to her rest almost finished the wreck that forced marches in the Louisiana swamps and the privations of war had begun, and Slaiden decided never to return to his native State.

He served till the last flag of the Confederacy was furled, and then, dreading the shock of a visit to his old home, he joined a party bound for Old Mexico to cast his fortunes with the sons of the Montezumas. On the way one of the party died from exowners in a small way. Finally, by good management and pursuing good became owners of one of the best pay-

ng mines in the Diaz Republic. Thus Slaiden had spent more than a | Porter said that the ceremonies should with any of his old friends at home. His wife mourned him as dead, and finally made her home in St. Louis, where she undertook the education of father entered the army. This boy grew to man's estate and became connected with a manufacturer of mining machinery. A little over a month ago his firm, desiring to introduce its goods in Mexico, sent him there to look

over the field. One day in a hotel at San Luis Potosi father and son met. The old mine owner remarked the similarity of names and inquired about the young man's antecedents.

The recital that followed satisfied nim that the American agent was his the lump that kept rising in his throat a naval parade. and ventured the question: "And your mother; where is she?" Young Slaiden, unaware of the

intensity of the emotion that swayed the wealthy old miner, said simply: "She is now at San Antonio. The announcement of the joyfu news completely overcame the husband and father, and as he swooned to the

"My God! She is my wife and this is my son.'' When the old man recovered con-

loor be gasped :

sciousness explanations were given between sobs and father and son left for San Antonio to meet Mrs. Slaiden. The joy of the reunion of these two loving souls who had so long mourned each other as dead, was ecstatic, and as soon as they could arrange for the trip the husband and wife started on a visit to the scenes of their honeymoon. As soon as Mrs. Slaiden's affairs can be arranged she will return with her husband to Mexico. It is expected that their son will join them there. - St. Louis Republic.

The Parson and the Darkey.

It is told of an old Baptist parson, famous in Virginia, that he once visited a plantation where the darkey, who met him at the gate, asked which barn he would have his horse put in. "Have you two barns?" asked the

"Yes, sah," replied the darkey: 'dar's de ole barn, and Mas'r Wales has jes built a new one." "Where do you usually put the horses of clergymen who come to see your

to be constructed 200 feet in height, "Well, sah, if dey's Methodist or Baptist, we gen'ally puts 'em in de old barn, but if dey's 'piscopals we with arms seventy-five feet long These will raise the water into the net-work canals, which will cover the puts 'em in de new one. "Well, Bob, you can put my horse in the new barn; I'm a Baptist, but my horse is an Episcopalian."

Pat's Ready Wit.

An Irish car driver was called upon o settle a wager which turned upon farms, dotted with cottages and towns, his ability to answer any question that was put to him without stopping to think. The circumstances having been explained to the man, he said, will have added \$600,000,000 to her Be after askin' me the question,

"Well, now, Pat, tell me what's of a people who, in the face of such nothing? "Arrah, now, shut your eyes and tremendous natural disadvantages, e'll see it immediately," was the in- have the patience to compel earth to stant and brilliant answer.

lady, "do tell me about them. I suptose that he will on the 5th day of February, 1897, apply to the Judge of Probate for Anderson County for a Final Settlement of said Estate, and a discharge from his office as Executor.

Jan 6, 1897 28 5 Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Erup

Waking Up a Town.

There were six men in front of the village post office talking in a friendly way and using their jackknives on the hitching posts, and as many more sat on the steps of a store opposite, in brotherly attitudes. All was peace and harmony and good will, when a man came riding up the street on a weather-beaten horse. He was stranger in town, but without a word to anyone he dismounted, hitched his which each supposed the other dead.
The couple are Mr. and Mrs. J. B.
Slaiden. They left Denison on the saying a word. Then one remarked 'He's bin foundered some time.'

"It's just spavins," replied his "That shows all you know about a search for them by Republic reporters horse! I tell you he's been foundered. I saw it when he was a quarter

"Nothing ails that horse," put in a life history of this now aged pair. It third man as he stood up to get a bet-"Nothing but the worst case of glanders I ever saw," added a fourth

Then the sixth man on the steps went over and joined the other six, and all began a critical examination of the beast. They looked into his mouth pulled his ears, poked his ribs and lifted his feet, and one man finally observed "He's at least 15 years old, and l

wouldn't give \$5 for him.' "If you don't know more than that you'd better keep out of horses,' sneered the village blacksmith, who was loafing when he ought to have been at work. "Mebbe you know his age?"

"I do. He isn't a day over 7." "Say! He's got six ringbones in plain sight!" exclaimed a carpenter. "Ringbones be hanged !" put in the "The horse has got poll

Every one of the 12 men had an opinion to express, and having expressed it he was determined to stick to it. About half the crowd insisted that the equine was the victim of a half dozen different diseases and ailments, while the other half put forth indignant denials. After a few minblacksmith a liar, and was hit on the chin, and that started the row. Ev erybody went to lick everybody else, and the mob surged back and forth, and up and down and used fists and feet and clubs and cobblestones. At the end of a quarter of an hour there was a cessation of hostilities, and men limped away to wash off the blood and repair damages. Just one man was left to "hold the fort," and as he

"I say that hoss has got ringbones, spavin and poll evil combined, and any man who disputes me is a liar.' "What hoss are you talking about?" asked a man who had taken no part in "Why, that hoss over-

But there was no horse over there. During the row the stranger had returned, mounted him and ridden away .- M. Quad, in St. Louis Repub-

Grant Has a Monument at Last.

NEW YORK, Dec. 28.—At the suggestion of Gen. Horace Porter, presiperous business man all his life. At dent of the Grant Monument Associaposure, and the other two entered the tion, the board of estimate to-day He was peculiar in nothing but his ideas of his own burial. Stuart's Gin and Buchu

A Remedy for all kinds of Bladderand Kidney troubles.

CURES Did you ever reflect that many ills of life come from sluggish action of the Kidneys?

KIDNEY The Kidneys are the great blood strainers, thus filtering out poisonous elements that would otherwise remain and con-taminate the whole system

Keep the blood pure—aid the Kidneys when oppressed and overburdened, and you will build up thesystem and preserve health.

BLADDER Do you suffer with weakness, backache

pains in the sides, nervousness, loss of appetite, bad taste in the mouth, etc? TROUBLES. Take STUART'S GIN AND BUCHU.
